

CCAT 50 YEAR ANNIVERSARY CELEBRATIONS

CCAT is celebrating its 50 Years Anniversary in mid 2019.

As part of the celebration, CCAT is undertaking a brief study of Chinese history in Tasmania. To this end we are encouraging members of Chinese families to celebrate and share their family history with CCAT .

CCAT intends to use the data submitted in two ways.

The first is to present each family history with a narrative and photographs in a poster format and the second is to incorporating the data in a book on CCAT and Chinese history in Tasmania.

We have formed a team at CCAT tasked with the above activities.
